

WHY MAKE THE SWITCH TO VERTICAL LAB?

At our Vertical Lab, we are committed to creating sustainable, eco-friendly, and high-quality corporate apparel and uniforms that meet the needs of our customers. Our mission is to provide modern and outdoor-inspired designs that not only look great but also help the environment by using fully recycled materials.

We believe in using only the highest quality materials to ensure that our products are long-lasting and can withstand the demands of everyday wear. Our premium goods are designed to make a lasting impression and leave a positive impact on the world.

At our company, we understand that branding is an essential part of any successful business. That's why we offer fully custom branding options to help our customers showcase their brand and stand out from the competition. Whether you need custom embroidery or screen printing, we've got you covered.

We take pride in our commitment to sustainability, and we are continuously striving to reduce our environmental impact. Join us on our mission to make a positive and sustainable impact in the corporate apparel industry, while elevating your companies uniforms and corporate wear.

**DURABLE. SUSTAINABLE.
RECYCLED. ESSENTIALS.**

WHO HAS MADE THE SWITCH ALREADY?

Even though we are just getting started, we have already been building unforgettable, eco-friendly product for companies and brands to elevate their apparel programs.

YOUR BRAND EVOLUTION.

RECYCLED + ORGANIC FIBRES

The core materials of this capsule collection were sourced based on having the lowest impact on nature, while maintaining the highest standards of durability and function.

BETTER + FASTER + AFFORDABLE

Allow us to open the door to high quality technical product, fast turn around times, all at accessible prices to allow you to explore and test new products for your brand or drive deeper margins with higher volume.

QUALITY

We continually focus on discovering the most high-quality materials and manufacturing processes to ensure we deliver to our customers product worthy of their logo.

BEAUTIFULLY DESIGNED + CUSTOMIZABLE

Our love for beautiful, classic, premium styled products are highlighted in our highly curated offering. All styles are able to be decorated with your own branding and unique tagging. Want more customization? Just ask!

READY FOR ACTIVITY

Premium, technical apparel is what we do best. With decades of experience in the technical outerwear and performance apparel industry, we take your brand to a whole new level, ready for activity.

SMALL BATCH TO LARGE SCALE

Vertical Lab can take you from small batch volumes starting as low as 100 units per style, to 50,000 for large scale production.

SIMPLICITY

Not a designer? Product team buried? Looking for a scalable, efficient way to expand on your current collection or get your dream brand off the ground? No problem, that's why we are here.

CAREFULLY CURATED. EXPERTLY SOURCED.

Focused on the core essentials of any technical performance driven collection, we have expertly sourced and designed a best-in-class collection of sustainable apparel utilizing high quality materials, technical fabrics and craftsmanship.

HOW IT WORKS

Step 1 : Submit your completed order form

Step 2 : Order Review & Approval

Upon submission of your logo/s (vector file/.ai) and orderform, you will receive, review, and confirm details of your custom order for approval.

Step 3 : 50% Deposit Due

To proceed with production, at this time, 50% of the total project invoice is due.

Step 4 : Completion

Upon completion of your order, the remaining 50% project payment and shipping fees are due (Credit Card or Bank Transfer). Upon receipt of payment, we ship your order!

DECORATION / BRANDING OPTIONS

Enjoy the following branding options at **No Charge** to each garment you order.
